TAX CREDIT FOR CARING

Taxpayers rescue your money from the state treasurer!

Instead of sending all of your Arizona taxes to the state treasury, you can donate any amount up to \$200 for an individual taxpayer or \$400 for a couple to a public school and receive a State income tax credit.

The choice is yours!

What takes just a few minutes, costs nothing and does a tremendous amount of good?

Using your 2009 Arizona school tax credit to help a child get more out of school.

Arizona law (ARS 43-1089.01) allows taxpayers to receive a tax credit of up to \$400 for donations that benefit students in our public schools. That’s not just a deduction, it’s a **tax credit**—it reduces what you owe in state taxes, dollar-for-dollar.

Here’s how it works.

Complete the contribution form on the reverse side and send a donation to the Oracle School District. We will send you a receipt for your records. Then, when you fill out your 2009 Arizona state taxes, you can subtract your donation—up to \$400—from what you owe in taxes.

What qualifies?

By Arizona state law, only donations to extracurricular activities that charge a fee qualify for the tax credit. The back of this form lists the eligible extracurricular activities for your reference. Donations are made to the school district, but may be directed toward a specific activity.
