Halloween should be filled with surprise and enjoyment. The following are some common sense practices that can keep kids safer and have more fun:

1. Walk, slither, and sneak on sidewalks, not in the street.
2. Look both ways before crossing the street to check for cars and low flying brooms.
3. Wear light colored and reflective clothing. Use reflective tape on Bikes, skateboards and brooms too! Carry a flashlight
4. Visit homes with the porch light .
5. Have a grown-up inspect your treats before eating.
6. Be cautious of animals and strangers.
7. Accept your treats at the door and never go into a stranger’s house.
8. Plan your route and share it with your family.
